

Praying for Your Church Ephesians 3:14-19

Key Thought: Let's pray for God's power.

1. Our strength is found from within. (v. 16)

- The _____ of this power
" ... out of His glorious riches ... "
- The _____ of this power
" ... with power through His Spirit ... "
- The _____ of this power
" ... in your inner being ... "

2. The outworking of our strength is two-fold. (v. 17-19)

- Your relationship with _____
" ... so that Christ may dwell in your hearts ... "
- Your relationship with _____
" ... together with all the Lord's holy people ... "

Christian love is never just a theory but the real life expression of one who truly _____ God.
