

**First Baptist Church Mt. Juliet Student Ministry**  
**8-12<sup>th</sup> Grade Mission Trip**  
**Phoenix, Arizona with Momentum Church**  
**June 1-7, 2022**

We are excited for the opportunity to send a team to Phoenix, Arizona to partner with Momentum Church and Pastor Steve Spratlin. We have been in partnership with Steve and Momentum church for the last few years, but due to the pandemic we have been unable to send a mission team – until now!

The purpose of our mission trip is to partner with the local church-plant to increase Gospel outreach to their community. As a short-term team, our time and efforts should be focused on helping the local church-plant extend and deepen their reach. We will get the full experience of church-planting, diverse cultural contexts, and intentional outreach to unreached peoples. Our projects will vary depending on the team, spiritual gifts, and abilities we have. We can guarantee that each student willing and committed to go on this mission trip will grow in spiritual maturity and experience mission partnerships in a creative way.

Mission trips are different from other Student Ministry events and activities. This is an opportunity to serve, work hard, evangelize, and partner with a local church-plant to make Kingdom impacts. Students should be aware that there are high expectations for participating. One such expectation is Team Training. These exact dates and times are to be determined, but it is required that those committing to serve on this mission team attend the designated trainings in order to be prepared for the trip.

There is limited space for this trip, and we desire to take a team of mature and ready student leaders. Therefore, we are asking each student interested in going on this mission trip with our Student Ministry to fill out this application sheet to the best of your ability. **The form is DUE by March 20th.** After receiving your application, the Student Ministry Team may schedule a meeting with you.

The team will be solidified by **Sunday, April 3<sup>rd</sup>**, and at that point a **\$100 deposit is due** to secure your commitment to this mission team. The final cost of this mission trip is not finalized yet (estimated \$800). The airfare portion of the trip costs will most likely be due at the **beginning of May**. The remaining balance of the trip costs will be **due by May 29<sup>th</sup>**.

Please write a personal answer for each of the following FOUR (4) questions on this application. Use the space provided under each question on the next page. Use additional pages if necessary. Return to the Student Ministry Team by Sunday, March 20<sup>th</sup>.

1. Why do you want to go on this mission trip?

2. In your own words, what is the Gospel message?

3. Please briefly share your testimony of how you came to faith in Christ.

4. Describe your daily walk with the Lord. What are you currently reading in Scripture? Learning in study time? Etc.
