## LOYE GOD

Worship to be loud and fun. Our preschool and elementary kids worship experiences teach God's truths, while being fun, and full of energy.

## LOVE PEOPLE

**Connect** & Serve: Do you want to make new friends and grow deeper in God's Word? Our preschool and kids small groups offer a deeper level of growth into God's Word. God has given each believer unique gifts and abilities to add value to the body of Christ and to impact the world with the Gospel. We offer several opportunities for children to jump in and serve.

GO

\*S\$\forall Oh: Kids will learn how to share their faith and become equipped to live on mission for Christ. They will learn about local and global missionaries while having opportunities to participate in outreach projects.
